MISSION & VISION

Flare Expo Designs Excellence” dared to dream and quite big at that ! And see where that dream has brought us-in the exclusive company of South Asia’s topmost event & exhibition stand contractor. But is the dream over? Obviously not!

Our new mission is to transcend the continental boundary and be a global force to reckon with. We believe in quality service and ‘over 600+ projects in a short span” display our clientele confidence in us.

Our vision is to craft a legendary reputation for quality services in this field. We want to become the synonym to the business “M.I.C.E” which stand for Meetings, Incentives, Conferences and Exhibitions.

SERVICES

Flare Expo Designs is a full service organization that offers complete services related to designing & building of exhibition stand. We often receive appreciation and a look of envy for our 3D Designing, Graphic Production, Complete Stand Building, Installation & Dismantling including Carpentry, Metal Work Painting, Flooring, Electrical, Signage Production, Audio Visual, Furniture & what not!

EXHIBITIONS

Exhibitions are visually appealing means for businesses to showcase and demonstrate; their latest products & service, study activities of rivals and examine recent trends and opportunities. They exist in various forms like trade fairs, trade shows, expos etc. providing you opportunities to not only expand your customer-base but also to generate good Public Relations. They are very effective and cost-effective means to reach your market audience - at one time, one place.
